RE: Freedom of Information Act Request, EPA-R2-2013-008107

Dear Mr. Hallman:

This is in response to your July 11, 2013 On-line Freedom of Information Act (FOIA) request associated with the Commonwealth Oil and Refining Company, Inc. (CORCO) site, located in Peñuelas, Puerto Rico.

As requested, please find below the list of documents available for review regarding the U.S. Environmental Protection Agency's investigation of the petroleum contamination in the Guayanilla Bay. Be advised that these reports and data were specifically developed as part of the study results of oil fingerprinting evaluation of soil, water, and oil samples associated with the releases of hydrocarbons into the Guayanilla Bay.

- A. Preliminary Results of Oil Fingerprinting Evaluation of Soil, Water & Oil Samples Supplemental Information, May 19, 2013;
- B. Guayanilla Bay Oil Spill Borings Data Logs, April 22, 2013;
- C. Guayanilla Bay Oil Spill Sample Aerial Locations, May 2, 2013;
- D. Guayanilla Bay Oil Spill GIS Kml File; May 1, 2013; and,
- E. Shell Guayanilla Terminal Remediation Reports by Soil Tech, October 26, 1993.

Because of the voluminous nature of our files for this site, it is advisable that you should contact me at your earliest convenience to discuss further which other documents you might be interested in. It is also advisable to arrange a visit to our office to review our files. Please be noted that there may be a charge for searching and duplicating the requested information.

If you have any questions regarding this information, please contact me at (787) 977-5839 or through electronic mail at "gonzalez.eduardo@epa.gov."

Sincerely yours,
